A Journal of Duplicious Doings,

Raw Power, and Naked Greed

"Oh, what a tangled web we weave

When first we practice to deceive!"

--Sir Walter Scott--

VOLUME III, #81

18 Jan 01

## NEW MILLENIUM, NEW VOLUME!

Well, why not? This way I can start reusing some of the "Thoughts For the Month". This is, by the way, the 107th issue of BORIS since we expanded from one game and went monthly with Volume IV back in March of 1992. Let's see, counting the first three volumes too, makes this issue #184. Got a long way to go before I catch John Boardman's 715, but I'm gaining.

"Lhude Sing Cuccu" will finish next time and will be replaced by a MACHIAVELLI 95 game that is now deciding scenario and rule options. We have concession calls in "Boris XV" and in COLONIAL DIP, but there's a lot of play left in both although Japan already has fulfilled a "short game" victory (116 centers) in COLONIAL DIP, so perhaps a major offensive could reach 24 finish it before WBC. With only seven White leaders left alive, RUSSIAN CIVIL WAR may be the next game to finish. Then again, maybe not. Could be a long time until our next game start.

Incidentally, signed up for the MACH 95 game are Lee Mc'Connell, Ward Narhi, Chris Hassler, Mike Scott, Ron Kooy, and Phil Reynolds.

### BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** The easiest person to deceive is one's own self.

--Edward Bulwer-Lytton

## Peace Proposed!! Germany & Italy Invaded!

Fall 1983

XIV  
2000C

**MIREWOOD:** With British units in KIE and PRU and the Austrians in NAP, only the two Witches have failed to "entertain" foreign troops on their soil. Given minimal French assistance, the Italian position is recoverable. The German position is perilous; BER is sure to be occupied in the Spring. The Sultan will surely push north into Russia. The French, therefore, are the key.

### EMBASSY BEAT

**Austria - France:** On to Rome! Please join me in the festivities. I encourage my good friend the French President to attack the vile Italian. He is but an oxygen thief in need of a severe beating. Wrest Tunis from his slimy grasp and occupy Piedmont as a step toward punishing the Italian for his many transgressions. They are too numerous to list at this time, but rest assured that every last detail of his debauchery will see the light of day and Italiano Men will be vilified. I'm only thinking of his best interests.

**Austria - Italy:** Hmmmmmm

**Austria - Turkey:** Great Sultan! I salute you and wish you well in your endeavors. If I can be of any assistance to you, please ask. Your wish is my command.

**EMBASSY BEAT****CHINA TO ALL:** And sooooo, the end is near...

France to Britain, Holland, China-you want me to attack Japan, but it is hard to do when I turn my back my centers are attacked.

**BORIS WORLD PRESS REVIEW****London Daily Times Mirror Express Dispatch Conjurer:** The Viceroy of India, in his weekly dispatch to the Queen, downplayed the significance of losing two Beets in the Red Sea region by saying, "Those fleets were antiquated anyway and not suited for shallow water operations. Fear not Majesty, the Turk is fearful of sailing out of the sight of land."**Deep Thoughts for China:** If you spin an Oriental person around three times, does he become dis-Oriental?**Deep Thoughts for the Dutch:** If the Poles are from Poland, should the people from Holland be called "Holes"?**Deep Thoughts for the English:** Why is someone you invest all your money with called a "broker"?

**ERRATA:** Forgot to include revised orders from Albania: mobilize F VAR, (A Tir-Val), (F Val-Cor); Greece (F Spa-Cor); Turkey (A Cone-Thr), (F Izm-Cone).

**KLENDATHU:** Greece, Serbia, and Turkey have become the early leaders by each capturing two centers. Albania and Bulgaria are this year's losers since, although they maintained their initial strength, they managed to lose a home center in the process. Albania's position looks particularly delicate.

**BORIS WORLD PRESS REVIEW**

Wireless Broadcast: Good evening Ladies and Gentlemen and all ships at sea. South Central Europe is aflame in conflict again. Bulgaria has already skirmished with Rumania and Serbia. Turkey and Greece are squaring off over Rhodes and Albania seems to have developed a taste for Italian. Will the ill wind stirring the tinderbox of Europe engulf the continent in the flames of war? Will the Western Hemisphere be pulled into the budding conflict? Will Lassie save Timmy...whot? Sorry. Will cooler heads prevail or will the innocent scum of Europe's underbelly live only to be exploited by the invading Godless Communist... (the management has sacked the former writer of this broadcast and oppolitzes for any insults to ethnic/political parties with access to guns and martyrs).

## General Comments:

I guess I have been remiss not getting the interim adjudication out. It turns out none of the calamities affected anyone else. And as a result I had not thought it necessary to get out an interim adjudication as planned. But when I did not get orders from some players I realized the problem may have been that they had been waiting for the interim adjudication. So here it is.

**Rule Interpretations:** The question came up whether a Volcano or Earthquake would still have to be near a city controlled by another player if the other player has Engineering and is therefore not affected. I ruled that it did.

## Press:

When told of the reduction of his three cities to rubble the ruler of Crete said "Those fools. I told them not to be afraid of that partial eclipse on Christmas day. But did they listen? No and now their rioting has wrecked three of my beautiful cities."

**Corrections:** Babylon pointed out that Egypt had advanced to 800 BC and I had not taken that into consideration in the Final "The Board" section. This "The Board" section corrects the error.

### The Bottom Line

This is BORIS THE SPIDER, a 'zine dedicated to the play of multiplayer games. BORIS is published the first or second Sunday of the month by Paul & Meg Bolduc, 203 Devon Ct, Ft Walton Beach, FL 32547-3110 and currently has a subscription price of \$10.50 for 12 issues in hardcopy (\$13 in Canada, and \$18 overseas) or \$1 by e-mail. A hardcopy sub will also include an E-mail sub. Make checks payable to "Paul R. Bolduc". BORIS can be reached at (850) 863-9081, or prbolduc@aol.com. If phoning, expect to be greeted by an answering machine. If we're here, not engaged in an epic computer battle or enthralled in baseball, and recognize your voice, you may get to talk to a real human, so don't hang up upon hearing our recorded message (it changes every power outage).
